Also experience with Pyxis medication system preferred. Please contact us for all details, to set interviews, and to get started on a wonderful adventure on the historic coast of Maryland.

Edenton, NC: RN- OR

13 week am OR position available on the North Carolina coast. Shift for this position is 7a - 3p with call twice a week and weekend call

approximately every 4th or 5th weekend. You may also need to help out in recovery room. Must have current NC (or compact) license in addition to BLS, ACLS, and at least 2 years of recent experience. Edenton, NC is located near Elizabeth City, NC on the Albemarle Sound- the "prettiest small town in the South" as well as the place of the little known Edenton Tea Party. Contact us to learn more details about the opportunity and how you can receive FREE Medical & Dental insurance with our company.

Las Cruces, NM: RN- Cath Lab

13 week am Cath Lab available with an asap start date! Las Cruces is home to several unique attractions including the largest pecan farm in the world, Historic Old Mesilla (a 150 year village that has been restored and now features shops, restaurants, and festivals), several wineries and wine festivals, and White Sands National Monument. Contact us to learn more details about the opportunity and how you can receive FREE Medical & Dental insurance with our company.

Columbia, SC: RN- Surgical Stepdown

13 week pm assignment for the RN with at least 3 years of Stepdown or ICU experience. This unit has high acuity patients and receives transfers from all hospitals around the region. Must have current SC (or compact) RN license, BLS, ACLS and must live at least 100 miles from Columbia, SC. Columbia is the capital of SC and is within easy driving distance to the SC coast, SC and NC mountains and even Charlotte, NC and Atlanta, GA. Contact us to learn more details about the opportunity and how you can receive FREE Medical & Dental insurance with our company.

Georgetown, SC: RN- Med-Surg/Peds Flex

For this 13 week pm contract, you must have both Med-Surg and Pediatric experience. You will be floating through both units . Must have current SC (or compact) RN license, BLS, ACLS, and PALS. Georgetown, SC is located on the coast between Charleston and Myrtle Beach and is known for being

South Carolina's most haunted town. Rich in history, you will also have access to an abundance of watersports, golf, and more! Contact us to learn more details about the opportunity and how you can receive FREE Medical & Dental insurance with our company.

St. Albans, VT: RN- ICU

This 13 week contract has both am and pm available. Must have 3 years of ICU experience in addition to BLS, and ACLS. St Albans is located between Lake Champlain and Vermont's Green Mountains. St Albans is known for their Annual Vermont Maple Festival, the next of which is scheduled for April 24, 25, and 26th. Contact us to learn more details about the opportunity and how you can receive FREE Medical & Dental insurance with our company.

Anacortes, Wa: RN-L&D- ASAP

Spend a 13 week contract on the "crown jewel of Fidalgo island", this is a drive to island accessible by bridge and ferry in Washington State. Position requires RN for L&D unit with 2 years experience with current WA state nursing license, BLS, and NNR. The shift is 8 hour nights 11p - 7a (will not consider 10 or 12 hour shifts). While completing this assignment be sure to enjoy the local scenery and history in the area; plenty of activities year round. Please contact us to find out more on how you can spend the first of 2009 in the beautiful Northwest.

Wenatchee, Wa: RN-ICU/CCU-ASAP

A 206 bed hospital 140 miles east of Seattle, Wa serving the North Central Washington area with 32 specialties. Currently have immediate need for experienced RN for ICU/CCU unit, must have open heart experience. Also must have current WA state nursing license, ACLS, and PALS; position is 12 hour night shift from 7p-7a in a 12 bed unit. So many adventures to do in this area to list but a few of my favorites: Mount Rainer National Park and Mount St. Helen's, both of which are part of the Cascade Mountain Range. Please contact us to find out

more on how you can spend 12 beautiful weeks in Central Washington.

Rock Springs, WY: RN- L&D (Neuro & Peds Exp)- ASAP

Urgent Need for experienced RN with experience in L&D/Nursery/Peds/Neuro for a 13 week opportunity. This contract offers 12 hour shifts of 7p - 7a with 2 minimum call back. This is a small unit so they are looking for an experienced nurse who is comfortable doing a range of positions and functions. If you are looking for the chance to give back to a wonderful community and use your nursing skills for more than just the average take a look at this opportunity. While on contract you can enjoy the melting pot of residents and adventures in the local area. Contact us to learn more details about the opportunity and how you can receive FREE Medical & Dental insurance with our company.
